Children's Theater Camp

June 14th - 19th

A little red truck pulls into Forrest City with everything it takes to mount a full-scale musical production...except the cast.

That's where the children of Eastern Arkansas come in. On Monday, they're cast as characters.

By Saturday, they've *gained* character-- the kind that really counts.

Presented by Missoula Children's Theater

The Missoula Children's Theatre (MCT) has been touring extensively for 35 years from Montana to Japan, and will visit nearly 1,300 communities this year with 47 teams of Tour Actor/Directors. Creativity, social skills, goal achievement, communication skills and self-esteem are all characteristics that are attained through the participation in this unique, educational project. MCT's mission is the development of lifeskills in children through participation in the performing arts.
