

East Arkansas Community College Associate of Applied Science Nursing-Traditional Track

Nursing is a profession incorporating knowledge and principles of the humanities and sciences. Nursing functions independently, dependently, and interdependently with other health care providers to assist individuals and their families in meeting health care needs. The Associate of Applied Science (AAS) in Nursing is a five semester, 62 hour curriculum plan. Once accepted, students are required to participate in both classroom and clinical settings. Graduates may apply to take the National Council License Examination for Registered Nurses (NCLEX-RN).

EACC's AAS Nursing program offers two tracks: this Associate of Applied Science Traditional Track, and an Associate of Applied Science Nursing LPN/LPTN Accelerated Track. For more information, refer to the EACC catalog or www.eacc.edu.

I. General Education Courses	Credit Hours	Semester	Year	Grade
*ENG 1013 English Composition I	3			
*ENG 1023 English Composition II	3			
*BUS 1603 Computer Fundamentals	3
