East Arkansas Community College
Certificate of Proficiency in Lean Technology.

The Certificate of Proficiency (CP) in Lean Technology is designed to prepare students to become knowledgeable in the field of lean technology and prepare them in for entry level jobs in advanced manufacturing lean technology area in less than one year.

In addition to the CP-Lean Technology, EACC offers the Associate of Applied Science (AAS) Advanced Manufacturing Lean Technology Specialty. See the College catalog for more information or log on to www.eacc.edu.
