

## East Arkansas Community College

### Technical Certificate in Drafting and Design

The Technical Certificate (TC) in Drafting and Design is designed to prepare students with the knowledge and skills required for entry level drafting and design positions. An emphasis is placed on Computer Aided Drafting in various disciplines.

In addition to the TC-Drafting and Design, EACC offers the Associate of Applied Science (AAS) General Technology Drafting and Design Option. See the College catalog for more information or log on to [www.eacc.edu](http://www.eacc.edu).
