

<p style="text-align: center;">East Arkansas Community College Certificate of Proficiency in Environmental/Health and Safety</p>

The Certificate of Proficiency (CP) in Environmental/Health and Safety is awarded for completion of the program designed for less than one year. It is awarded for completion of courses that are designed to prepare students to become skilled technicians in the environmental/health and safety field.

In addition to the TC-Environmental/Health and Safety, EACC offers the Associate of Applied Science (AAS) General Technology Environmental/Health and Safety Option and Certificate of Proficiency in Environmental/Health and Safety. See the College catalog for more information or log on to www.eacc.edu.
