

East Arkansas Community College

Certificate of Proficiency in Microcomputer Maintenance/Repair

A Certificate of Proficiency is awarded for completion of a program designed for less than one year (15 semester credit hours or less). It is awarded to students demonstrating mastery of skills and knowledge against specified performance standards in a specific area. In addition to the Certificate of Proficiency in Microcomputer Maintenance/Repair, EACC offers the Technical Certificate in Microcomputer Maintenance/Repair and the Associate of Applied Science in General Technology with a specialization in Computer Information Systems. For more information, see the College catalog or log on to www.eacc.edu.
