

<p style="text-align: center;"><b>East Arkansas Community College</b>  <b>Certificate of Proficiency in Welding Technology</b></p>
--

The Certificate of Proficiency (CP) in Welding Technology is designed to prepare students for entry level positions in welding manufacturing by producing marketable welding skills and knowledge regarding current welding techniques and applications in less than one year.

In addition to the CP-Welding Technology, EACC offers the Technology Certificate (TC) in Welding Technology. See the College catalog for more information or log on to [www.eacc.edu](http://www.eacc.edu).

Welding Technology Required Courses	Credit Hours	Semester	Year	Grade
MCH 1001 Reading Blueprints	1			
MCH 1011 Reading Schematics and Symbols	1			
MCH 1062 Welding Principles	2			
MCH 1072 Welding Operations	2			
MCH 1082 Purging, Piping, and Safety	2			
SFT 1081 Introduction to Industrial Safety	1			
<b>TOTAL CERTIFICATE HOURS</b>	<b>9</b>
