## **ASSOCIATE OF APPLIED SCIENCE NURSING PROGRAM**

The East Arkansas Community College's Associate of Applied Science Nursing Program *Information Packet* presents the program and requirements in effect at the time of publication but is no guarantee that they will not be changed or revoked. However, adequate and reasonable notice will be given to students affected by any changes. This Handbook is not intended to state contractual terms and does not constitute a contract between the student and the school. Students are expected to become familiar with the rules and policies of East Arkansas Community College's Associate of Applied Science Nursing Program and enter with the understanding that they will abide by these regulations.

East Arkansas Community College's Associate of Applied Science Nursing Program reserves the right to make changes as required in course offerings, curricula, academic policies, and other rules and regulations affecting students to be effective whenever determined by the School. These changes will govern current and formerly enrolled students. Enrollment of all students is subject to these conditions.

### **IMPORTANT MESSAGE UPDATE**

#### **Criminal Background Checks for Licensure**

Prospective students seeking admission to the Associate of Applied Science Nursing Program at East Arkansas Community College should be aware that each first-time applicant for a nursing license issued by Arkansas State Board of Nursing must undergo a state and national criminal background check conducted by the Arkansas State Police Department and the Federal Bureau of Investigation. The Arkansas State Board of Nursing shall refuse to issue an individual license to practice nursing if that individual has pleaded guilty or nolo contendere to, or been found guilty of any offenses outlined in Subchapter 3, Section 17-87-312, subsection (f) of the Arkansas Nurse Practice Act. For further details, prospective students may access the website for the Arkansas Board of Nursing at [www.arsbn.org](http://www.arsbn.org).

Therefore, graduation from East Arkansas Community College's Associate of Applied Science Nursing Program does not guarantee eligibility to take the licensing exam (NCLEX-RN).

#### **Criminal Background Checks for Clinical**

Clinical sites are now requiring criminal background checks and drug screens before students are allowed to come for the clinical rotation. Therefore, students will be required to obtain these and present the results to the facility. The student will be responsible for the cost. The clinical facility will be responsible for accepting or declining students based on the results of the criminal background checks and drug screens.

If the clinical facility refuses a student based on criminal background checks and/or drug screening results, the College will seek, if possible, to find another facility for the student's clinical experience. The corresponding clinical component for each class is mandatory. If the student is unable to fulfill the clinical requirement, the student will be dropped from the program.

The Criminal Background and Drug Screen for clinical will be approximately \$150.00 annually in August.

## **Tobacco Free Policy**

In response to the Arkansas Legislative clean air on campus act of 2009, after June 30, 2010 East Arkansas Community College became a tobacco free campus. The use of tobacco or tobacco products of any kind is prohibited in all buildings on the EACC campus and in college pool cars and on the College campus anywhere. At off-campus locations, EACC will recognize the policies of the host school or other entity. The administration will develop additional guidelines as necessary for the implementation of this policy and to insure its compliance. The use of tobacco in any form will not be allowed on any part of the campus.

## **HISTORY**

In 1974, a statistical report prepared by the Arkansas Board of Nursing revealed a statewide need for registered nurses. A needs survey by East Arkansas Community College revealed that a five county area in eastern Arkansas needed to be served with additional registered nurses. In 1976, East Arkansas Community College submitted a letter of intent to Arkansas Board of Nursing and was granted initial approval in 1976 to start an Associate of Applied Science Degree Nursing Program. The first class was admitted in Fall of 1976 and graduated in Spring of 1978. The Arkansas Board of Nursing granted full approval in 1978. In 1990, an LPN/LPTN accelerated track was developed and implemented in the Summer of 1990. In 1993, the nursing program received initial accreditation from the National League of Nursing.

## **DESCRIPTION OF THE PROGRAM**

East Arkansas Community College Nursing Program offers an Associate of Applied Science in Nursing (AASN). Once accepted, the program is 2 years in length (5 terms) for Traditional Track students, and 1 year (3 terms) for LPN/LPTN Accelerated Track students based on full time enrollment, exclusive of vacation time.

## **ACCREDITATION**

East Arkansas Community College's Associate of Applied Science Nursing Program has met prescribed standards of excellence for nursing education as set forth by the Accreditation Commission for Education in Nursing, Inc. (ACEN), which concerns itself with the quality of nursing education. East Arkansas Community College, Associate of Applied Science Nursing Program received full accreditation in September 2013 with next evaluation visit fall 2021. The address of the ACEN is 3343 Peachtree Road N.E., Suite 850, Atlanta, GA 30326. The phone number is (404) 975-5000. The web address is <http://www.acenursing.org>. ACEN is a resource for information regarding required tuition, fees, and length of program.

East Arkansas Community College's Associate of Applied Science Nursing Program is approved by the Arkansas State Board of Nursing (ASBN). The Arkansas State Board of Nursing granted full approval to the East Arkansas Community College's Associate of Applied Science Degree Nursing Program with the next site visit scheduled for 2018. The address of the ASBN is University Tower Building, 1123 S. University, Suite 800, Little Rock, AR 72204. The phone number is (870) 686-2700. The web address is <http://www.arsbn.org>.

## NONDISCRIMINATION POLICY

East Arkansas Community College’s Associate of Applied Science Nursing Program does not discriminate against any applicant/student and adheres to the College’s Equal Opportunity, Affirmative Action, non-discrimination policy. East Arkansas Community College is committed to provide equal opportunity through its employment practices, educational programs, admissions policies, scholarships and loan programs and services it offers to the community. The College will make personnel decision and offer programs that will foster educational opportunities without regard to race, color, national origin, age, gender, pregnancy status, or disability of qualified handicapped persons.

## PHILOSOPHY

The Associate of Applied Science Nursing Program is an integral part of East Arkansas Community College and derives its philosophy from the mission and goals of the college. The philosophy guides the nursing faculty in providing quality educational opportunities.

We, the faculty of East Arkansas Community College, Associate of Applied Science Nursing Program, believe:

Each individual is unique, innately worthy of respect and dignity, and has the ability to contribute creatively to the environment. The individual is viewed as multifaceted with physiological, psychological, sociocultural, and spiritual components. The individual's behavior is motivated by a set of basic human needs and has the ability to adapt to environmental changes as they progress through the life span.

The environment is an aggregate of all internal and external dimensions affecting the health and self-care abilities of all individuals.

Health is a dynamic state of harmony and balance between individuals and their environments. Health is defined by the individual and reflects the individual's physical, psychosocial, and spiritual well-being along the health-illness continuum.

Nursing is a profession incorporating knowledge and principles of the humanities and sciences. Nursing functions independently, dependently, and interdependently with other health care providers to assist individuals and their families in meeting health care needs and achieving an optimal level of functioning in a racially, culturally, and ethnically diverse community. Nursing practice is based on standards and ethics formulated by the profession and implemented through the nursing process. Nursing encourages a holistic, interactive approach requiring a commitment to the value of caring, communication, collaboration, theoretical knowledge, critical thinking and clinical competence for implementation of the nursing process. **Nursing practice is based on standards and legal and ethical considerations formulated by the profession and implemented through the nursing process.**

Teaching/learning is an active reciprocal process, which involves the teacher and learner. This process is directed toward achievement of desired competencies. Teaching/learning facilitates the application of knowledge and provides an environment that enhances mutual trust, motivation, creativity, critical thinking and clinical decision making. Learning is a continuous life-long process. The student's personal and professional growth is enhanced by assuming responsibility and accountability for the acquisition of knowledge and skills. The assessment of outcomes is used to determine student progress and to assist in program improvement.

## **PROGRAM OBJECTIVES**

Upon completion of the program of study, the graduate is prepared to:

1. Incorporate knowledge and principles from the sciences and humanities into nursing practice.
2. Function as part of the interdisciplinary health care team in selected health care settings with culturally diverse clients, families and communities across the life span.
3. Communicate therapeutically and effectively with clients, families, significant others, and other health care providers.
4. Provide evidenced based, clinically competent nursing care utilizing critical thinking and clinical decision making within the framework of the nursing process.
5. Function as a beginning practitioner, client educator, leader and manager of nursing care to clients along the health-illness continuum and in a variety of health care settings.
6. Practice within the legal and ethical framework of the standards of professional nursing.
7. Assume responsibility and accountability for seeking life-long learning opportunities for professional growth.

## **STUDENTS WITH DISABILITIES**

Students with disabilities who wish accommodations should contact the American Disabilities Act Coordinator, Hodges Student Services Complex, 633-4480, ext. 304. The admissions procedures for the Office for Students with Disabilities are as follows:

1. Student must provide the ADA contact with appropriate documentation giving evidence of a bona fide disability.
2. If necessary, the student will sign a release of information form to obtain documentation of disability.
3. Student will fill out an application for disabled student services.
4. The ADA contact will evaluate the needs of the student and inform him/her of accommodations which will be provided.
5. The Students with Disabilities Coordinator will inform instructors, Student Support Services, or other College personnel as appropriate for necessary accommodations.

## **PLACEMENT ASSISTANCE**

In the spring semester of each academic year, recruiters from various hospitals provide information to be posted regarding job openings.

## **RECRUITMENT POLICY**

East Arkansas Community College's Associate of Applied Science Nursing Program recruits its students from within a culturally diverse community and seeks to reach traditional and non-traditional students, male and female, in a variety of age groups. The East Arkansas Community College's Associate of Applied Science Nursing Program conducts activities to attract prospective students in the private and public sector of education, as well as, in the general public.

## **ABILITIES REQUIREMENT POLICY**

In order to achieve the nursing curriculum objectives, a student must be able to:

1. Physically tolerate an 8 to 10-hour work day at a pace conducive to safe and effective nursing practice.
2. Stand and/or walk for prolonged periods of time in a clinical setting.

6. Students who were previously enrolled in any nursing or allied health program at any institution and withdrew from ("W") or received a "D" or "F" in any two nursing or allied health courses or who twice withdrew ("W") or received "D" or "F" in any nursing or allied health course may seek admission to the Associate of Applied Science Nursing Program only after a period of four years from the first admission to a previous nursing program or other allied health program. Students must meet all current admission requirements and begin in Term I of the Traditional Track.

## APPLICATION PROCESS

All applicants must:

1. Submit a Nursing Application to the Department of Allied Health Science. Applicants who misrepresent/omit information from the application form become ineligible for admission or subject to dismissal after admission has been granted.
2. Request official transcript(s) to be mailed to **both registrar's office** and the **nursing program**.

**A. Registrar's Office**  
East Arkansas Community College  
1700 Newcastle Road  
Forrest City, AR 72335

**B. Department of Allied Health Science**  
Nursing Program  
1700 Newcastle Road  
Forrest City, AR 72335

Transcripts must be sent from any college, university, school of nursing, vocational/technical, and/or any other school(s) attended beyond high school or completion of a GED.

**Note: Each transcript must be sent even if grades are recorded on another transcript. All transcripts must be mailed directly from the institution(s) to be considered official. All requested transcripts/information must be received by the application deadline.**

3. Take the PSB Pre-Entrance Nursing Exam.

## APPLICATION DEADLINE

Students are admitted to East Arkansas Community College's Associate of Applied Science Nursing Program once a year for fall admission.

### DEADLINE FOR NURSING APPLICANTS

May 31 for Fall Admission

All information must be received by May 31

If qualified applicant pool is not met by application deadline, the deadline may be extended at the discretion of the Restricted Enrollment Committee.

## APPLICATION REVIEW/NOTIFICATION

Applicants whose files are completed by the May 31 deadline will be considered by the Restricted Enrollment Committee for admission to the nursing program. Notification of the committee's action will be made by letter during the month of June. Meeting all criteria and submitting an application does not guarantee admission into the Nursing Program. The number of students admitted will vary according to resources and space available. There is no provisional acceptance for applicants not meeting the minimum requirements. East Arkansas Community College's Associate of Applied Science Nursing Program does not maintain a waiting list for students who meet the minimum requirements, but who are not offered admission.

## ACCEPTANCE

Once an applicant has been accepted to East Arkansas Community College's Associate of Applied Science Nursing Program, the candidate must:

1. Accept in writing by the date indicated on the acceptance letter.
2. Obtain CPR certification. Certification **must be** American Heart Association Healthcare Provider and include Adult, Child, Infant, Conscious, Unconscious, and Choking. Certification must be obtained prior to registration and must remain current for the entire program of study.

  - b. Tetanus (Must be within the last 10 years)
  - c. Measles, Mumps, Rubella (MMR)
  - d. Tuberculin Test (TB). Proof of a current, negative TB skin test (within the last 12 months) or a negative chest x-ray is a requirement for registration.
  - e. Flu shot or must sign a waiver.
  - f. Varicella vaccine or must sign a waiver.
4. Submit proof of health insurance.
5. Complete Criminal Background Check and Drug Screen process.

### Credit by Prior Learning Assessment

Students who possess knowledge for certain courses offered by the College may petition for credit by examination or experience. A maximum of 12 semester hours of college credit can be awarded through examination, experience or a combination of the two.

There are two types of CLEP exams, General and Subject. EACC awards credit for two of the five General Exams and fourteen of the Subject Exams. Credit is awarded for the humanities and natural sciences on the General Exams.

Credit may be earned by passing a comprehensive test prepared by either a commercial testing service (i.e., CLEP) or the Department of the College in which the credit is to be awarded. Credit for courses offered by EACC may also be granted upon related work experience.

Questions regarding the specifications of the CLEP test should be directed to Educational Guidance Services located in the Hodges Student Services Complex. Students who believe they qualify for credit by examination or previous work experience should contact the appropriate associate vice president.

# **TRANSFER STUDENT INFORMATION**

## **TRANSFER STUDENT POLICY**

Students withdrawing from (“W) or failing (“D” or “F”) the same nursing course twice or two separate nursing courses may seek admission to the Associate of Applied Science Nursing Program after a period of four years from the first admission to a previous nursing program. Students must meet all current admission requirements and begin in Term I of the traditional track or Term III of the accelerated track. Transfers are on space availability after meeting all other transfer requirements.

### **Transfer Requirements**

To transfer into the nursing program, the student must:

1. Meet all current admission and transfer requirements for East Arkansas Community College (see current College Catalog for requirements). Students on academic suspension from another institution will be eligible for admission only after having remained out of school for one semester (not including a summer term) or being eligible to return to the previous institution.
2. Meet all current nursing program admission requirements.
3. Pass a drug calculation competency test with a score of 90% or higher. Sample drug calculation problems will be provided. Student will have one opportunity to successfully complete drug competency test.
4. Successfully complete a skills competency check-off with 90% accuracy. Skills list will be provided. Student will have one opportunity to successfully complete skills competencies.
5. Successfully complete the ATI (Assessment Technologies Institute) Content Mastery test(s) and attain an ATI Proficiency Level II or higher. Cost of the test(s) is \$35.00 each (subject to change).

### **Transfer Student Application Deadlines**

Deadline to apply and meet all Transfer Requirements for Term II is October 1<sup>st</sup> and for Term III is May 31<sup>st</sup>.

### **Transfer Student Application Review/Selection/Notification**

The transfer student whose file is completed by the deadline will be considered by the Restricted Enrollment Committee for admission into the Nursing Program. Notification of the Committee’s action will be made by letter one month after the application deadline. There is no provisional acceptance for applications not meeting the minimum requirements. East Arkansas Community College’s Nursing Program does not maintain a waiting list for students who meet the minimum requirements, but who are not offered admission. Admission is contingent on space availability.

### **Transfer Student Residency**

Transfer students must complete all 2000 level nursing (NUR) courses in East Arkansas Community College’s Nursing Program.

## COURSE DESCRIPTIONS

**NUR 1010 Clinical Applications of Fundamentals of Nursing (0-6-0)**

The student will practice nursing skills in the laboratory after demonstration, readings, and applying theoretical concepts. The students will then apply the nursing process and nursing diagnoses to clients in the clinical setting. Beginning level recognition of pathophysiology and psychological concepts will be utilized to care for clients. Care plans will be done to help the student in applying these concepts.

**Co-requisite: NUR 1014**

**NUR 1014 Fundamentals of Nursing (2-6-4)**

This course will present the different pathophysiological and psychopathological mechanisms or processes of the individual. Emphasis will be on human health promotion, growth and development, nursing diagnosis, and the nursing process.

**Prerequisite: Admittance to the Nursing Program.**

**Co-requisites: BIO 2114, ENG 1013, MTH 1113, NUR 1010, PSY 1003**

**Assessment Fee: \$225, Malpractice Fee: \$50**

**NUR 1020 Clinical Applications of Medical Surgical Nursing I (0-6-0)**

The student applies concepts from Medical Surgical I when caring for individuals and families in the hospital setting. Plans of care will be developed, using the nursing process. Integrations of nutrition, growth and development will be done.

**Co-requisites: NUR 1024**

**NUR 1024 Medical-Surgical Nursing I (2-6-4)**

This course will integrate principles and concepts from the physical sciences, social sciences, and nursing as they relate to the individual and families throughout the life cycle. Emphasizes the prevention of illness, restoration of health during acute and chronic physical illness, and preservation of dignity in death.

**Prerequisites: All required courses from Term I.**

**Co-requisites: BIO 2134, ENG 1023,**

**NUR 1020, PSY 2003 Assessment Fee: \$225**

**NUR 1900 Clinical Applications of Role Transition for LPNs/LPTNs (0-1-0)**

The student will have simulated and actual opportunities to apply principles and skills used in the transition from the LPN/LPTN to the professional role of a registered nurse. Emphasis will be placed on the nursing process, physical assessment skills, client education, and care of acute and chronically ill clients.

**Co-requisites: NUR 1904**

**NUR 1904 Role Transition for LPNs/LPTNs (4-1-4)**

This course allows the LPN/LPTN with current licensure and experience in nursing to develop necessary skills and knowledge to use as a base for transition to professional nursing. The course will review content in foundations of nursing and cover content in health assessment and care for lower acuity level clients in the medical surgical setting. Upon successful completion of this course, the LPN/LPTN will enter the 2000 level nursing courses.

**Co-requisites: BIO 2504, NUR 1900 Assessment Fee: \$225**

**NUR 2040 Clinical Applications of Mental Health Nursing (0-6-0)**

This course gives the student an opportunity to apply principles of psychiatric/mental health nursing with clients and families. Special populations, cultural diversity, and risk factors of clients experiencing emotional illness will be emphasized.

**Co-requisite: NUR 2044**

**NUR 2044 Mental Health Nursing (2-6-4)**

This course introduces the student to the theories of emotional health and restoration of health during acute and chronic emotional/behavioral illness. Emphasis will be on critical thinking, growth, and development, psychosocial/cultural diversity, communications and therapeutic interventions.

**Prerequisites: All required courses from Terms I and II.**

**Co-requisite: BIO 2504, NUR 2040 Assessment Fee: \$225, Malpractice Fee: \$50**

**NUR 2130 Clinical Applications of Medical-Surgical Nursing II (0-6-0)**

The course accompanies NUR 2134 and focuses on rehabilitative care. Identification of skills based upon scientific principles for nursing practice with clients will be emphasized. **Prerequisites: All required courses from Terms I, II and III. Co-requisite: NUR 2134**

**NUR 2134 Medical-Surgical Nursing II (2-6-4)**

This course builds upon Medical-Surgical I and focuses on the chronic illness phases of the disease process. Rehabilitative stages will be emphasized. The life cycles issues of individual with chronic illness will be presented. The nursing process and critical thinking skills with case presentations will be utilized.

**Prerequisites: All required courses from Terms I, II and III. Co-requisites: BUS 1603, NUR 2130, NUR 2160, NUR 2164, SOC 1013 or SOC 2043 Assessment Fee: \$225**

**NUR 2160 Clinical Applications of Maternal Child Nursing (0-6-0)**

This course accompanies NUR 2164 and focuses on giving nursing care to clients in the pediatric and maternity settings. Students will provide care using the theoretical principles of maternal and child health. **Co-requisite: NUR 2164**

**NUR 2164 Maternal Child Nursing (2-6-4)**

This course will explore the concepts of childbearing and childrearing. It will focus on health promotion, family structures, and cultural diversity. The traditional role of the maternal and child nurse must expand to meet the challenges that changes and new technology are posing. With these concepts the student will use the nursing process in working with clients from birth through adolescence. **Prerequisites: All required courses from Terms I, II and III. Co-requisites: BUS 1603, NUR 2130, NUR 2134, NUR 2160, SOC 1013 or SOC 2043**

**NUR 2242 Nursing Concepts and Intervention (2-0-2)**

This course is designed to further understand the concepts of environment and health in client care through core presentation, discussion, and content review. The nursing process will be utilized by the student through problem-solving and critical thinking skills in applying nursing interventions to client situations. **Prerequisites: All required courses from Terms I, II, III, and IV. Co-requisites: NUR 2254, NUR 2263**

**NUR 2250 Clinical Applications of Medical-Surgical Nursing III (0-6-0)**

This course accompanies NUR 2254. This course provides the student with the opportunity to apply theoretical principles when caring for the adult medical-surgical clients with complex disorders affecting the cardiac, respiratory and renal systems. The clinical course emphasizes the rehabilitative aspect of the client with complex disorders. **Co-requisite: NUR 2254**

**NUR 2254 Medical-Surgical Nursing III (2-6-4)**

This course is designed to introduce complex knowledge and skills applicable to the nursing care of an acute adult with multiple complex problems and the critically ill adult client experiencing alterations in the cardiac, respiratory, circulatory, and renal systems. The course builds on and reinforces previous knowledge and skill. The course reinforces ethical and legal implications, health promotion and maintenance, emotional, spiritual, physical, psychosocial integrity and developmental tasks of the adult.

## **FINANCIAL AID PROGRAMS**

The Financial Aid Office at East Arkansas Community College seeks to provide financial assistance to any student who, without such support, could not attend the College. A comprehensive program of financial aid in the form of scholarships, loans, grants, and jobs is provided to qualifying students.

**Please see current East Arkansas Community College Catalog for more information or visit the Financial Aid Office in the Hodges Student Services Complex.**

## **CPR CERTIFICATION**

Obtain CPR certification. Certification **must be** American Heart Association Healthcare Provider and include Adult, Child, Infant, Conscious, Unconscious, and Choking. Certification must be obtained prior to registration and must remain current for the entire program of study.

## **GRADING SYSTEM**

The grading policy for all nursing (NUR) courses is as follows:

1. The grading scale of all nursing (NUR) courses is:
  - A 92-100
  - B 84-91
  - C 78-83
  - D 71-77
  - F 70 and below
2. The minimum score to pass any nursing course is 78. Fractional parts of numerical grades will be rounded off to the nearest whole number according to mathematical principles (i.e. 77.5 will become 78).
3. Both a minimum average of 78 in theory and a satisfactory in clinical/campus lab required activity and assignment are required in order to pass any nursing course. A satisfactory means that a student has achieved a minimum of 90% of all behaviors in clinical.
4. Failure of either the theory or clinical component of a nursing course results in the student repeating both the theory and clinical components.
5. Students will be given a computerized average of their grade after each exam so that there will be no question as to their academic standing.
6. Student will make an appointment with the appropriate faculty member whenever scoring less than 78% on a unit exam.
7. NO exam grades will be dropped.

## **ATI TESTING**

Students are required to take scheduled ATI proctored assessment. These assessments are given at designated times during each course. Dates and times will be outlined in each course syllabus. A level II proficiency score must be achieved for successful completion of this course progression. A student will have two (2) attempts to achieve level II proficiency. If unsuccessful after the second opportunity, the student will receive no higher than “D” in the course and will not be able to progress.

## **TRANSPORTATION**

Students are responsible for their own transportation to class, clinical settings, and any other function connected with the Nursing Program.

## **BOOKSTORE**

Students may purchase nursing course textbooks from the bookstore at East Arkansas Community College. Phone Number (870) 633-4480 ext. 307.

## **RETENTION/PROGRESSION POLICY**

To be allowed to remain or progress in the Associate of Applied Science Nursing (AASN) Program, the student must:

1. Adhere to EACC and AASN policies.
2. Earn a grade of “C” or better in all required general education courses to progress to the next term and must complete all general education courses in designated term before progressing to next term.
3. Earn a grade of “C” or better in all nursing theory courses to progress to the next term.
4. Score a Proficiency Level II on the proctored ATI Content Mastery Exams at the end of each designated nursing course. Students will have 2 opportunities to achieve the proficiency Level II. Remediation will be mandatory between the 1st and 2nd testing opportunities. If unsuccessful after the second opportunity, the student will receive no higher than “D” in the course and will not be able to progress. The student must follow the Retention/Progression Policy for returning to take the nursing course at the next available offering.
5. Receive satisfactory performance rating in all nursing clinical courses. Any student who is denied clinical entrance to an institution may not continue in the Nursing Program.
6. Adhere to the attendance and punctuality policies of East Arkansas Community College and the Nursing Program (classroom, clinical, and lab).
7. Maintain current certification in CPR (American Heart Association Healthcare Provider), immunizations, and personal health insurance while in the nursing program. Proof of health insurance and current CPR must be submitted at beginning of fall semester or upon readmission. Failure to do so may result in placing a hold on registration and/or dismissal from the nursing program.
8. Complete the AASN program within a period of 4 years from time of entry into the first NUR course, for traditional students, and within 2 years for LPN Accelerated Track students.
9. If a student has received a grade of “D”, “F”, or “W” in one nursing course, with the exception of Fundamentals of Nursing (see #11 below), the following steps must be completed:
  - a. Take the ATI (Assessment Technology Institute) Content Mastery test and attain an ATI Proficiency Level II or higher. The student will have only one attempt to attain a Level II Proficiency (The ATI test will contain content presented in the last nursing course successfully completed.) Cost of the test(s) \$35 each. **(Cost subject to change)**

- b. The ATI test must be taken by the end of the fall semester if a student fails or withdraws from a spring nursing course; the ATI test must be taken by the end of the spring semester if a student fails or withdraws from a summer or fall nursing course.
  - c. After earning an ATI Proficiency Level II or higher on the ATI Test, the student can then re-enroll in the failed or dropped nursing course at the next available course offering.
  - d. Students failing or withdrawing from a nursing course can only re-enroll in that course one time.
10. Students who receive a grade of “D”, “F”, or “W” in Fundamentals of Nursing must reapply to the nursing program and repeat the entire application process (see current nursing admission criteria). PSB test scores must be used within one academic year for the admission process to the nursing program.
11. A student will be dismissed from the Nursing Program when a grade of “D”, “F”, or “W” (withdrawn) has been received in the **same nursing course twice or two separate nursing courses** and may seek readmission after a period of four years from the first admission to the traditional track nursing program or two years for accelerated track. However, students seeking readmission must meet all current admission requirements and begin in Term I of the traditional track or Term III of the accelerated track.

### **READMISSION POLICY**

1. The student seeking readmission must reapply to East Arkansas Community College’s Associate of Applied Science Nursing Program.
2. The student seeking readmission must meet all current criteria for admission, retention and progression in the Nursing Program as outlined in the East Arkansas Community College Catalog.
3. Readmission is based upon space availability.
4. Any student who is denied clinical access for justifiable causes by the clinical facility will not be eligible for readmission in East Arkansas Community College’s Associate of Applied Science Nursing Program.
5. Any student who has been dismissed from the Nursing Program with a grade of “D”, “F”, or “W” (Withdrawn) from the same course twice or two separate nursing courses may seek readmission after a period of four years from the first admission to the traditional track nursing program and two years for accelerated track. However, students must meet all current admission requirements and begin in Term I of the traditional track or Term III of the accelerated track.

### **GRADUATION POLICY**

The Nursing Program subscribes to East Arkansas Community College’s requirements for graduation (see current College Catalog for graduation information).

### **DISMISSAL POLICY**

Violation of classroom or clinical policies and procedures or personal misconduct will result in disciplinary actions and can result in immediate dismissal from the Nursing Program and the College. Actions subject to discipline include, but are not limited to: conduct dangerous to others, disorderly conduct, disruption of teaching in classroom or clinical settings, misuse of or damages to property, misuse of documents or identification cards or violations of state or federal laws. See also the Student Misconduct Policies and Procedure in the College Catalog.

**Violation of the specific policies listed below may result in dismissal from the program:**

1. A student will be dismissed from the Nursing Program when a grade of “D”, “F”, or “W” (withdrawn) has been received in the **same nursing course twice or two separate nursing courses** and may seek readmission after a period of four years from the first admission to the traditional track nursing program or two years for accelerated track. However, students seeking readmission must meet all current admission requirements and begin in Term I of the traditional track or Term III of the accelerated track.
2. Students dismissed from the Nursing Program for disciplinary reasons, as outlined in the Nursing Student Handbook, will be ineligible for readmission into the East Arkansas Community College’s Nursing Program.
3. Students must maintain current certification in CPR (American Heart Association Healthcare Provider), malpractice and health insurance for the entire program of study. Failure to do so will result in placing a hold on grades and registration and/or dismissal from the nursing program.
4. Any student failing (grade “D” or “F”) or Withdrawing from the same course twice or two separate nursing courses will be dismissed from the Nursing Program. The student may seek readmission according to the readmission policy.
5. Students dismissed from the Nursing Program for disciplinary reasons, as outlined in the Nursing Student Handbook, will be ineligible for readmission into the East Arkansas Community College’s Nursing Program.
6. Students must maintain current certification in CPR (American Heart Association Healthcare Provider), malpractice and health insurance for the entire program of study. Failure to do so will result in placing a hold on grades and registration and/or dismissal from the nursing program.

**WITHDRAWAL POLICY**

Students who no longer wish to be enrolled in the Nursing Program must follow the Withdrawal Policies set forth in the current East Arkansas Community College Catalog.

## **REFUND POLICY**

No refunds of student tuition/fees will be made unless a student OFFICIALLY withdraws through the Office of Admissions and Registration Full refunds are given only if a student officially drops or withdraws before the first day of the semester. If a refund is due to a student receiving financial aid from any Federal Financial Aid program, a portion of the refund shall be returned to the Financial Aid program in accordance with federal regulations. **Students who fail to follow the proper withdrawal procedures will be responsible for tuition once classes begin. Failure to attend classes does not constitute an official drop/withdrawal.**

No refunds are given for drops, withdrawals or non-attendance after the 11th day of a spring/fall semester or after the 11th day equivalent of a summer term.

**Refund Schedule:**

**Credit Courses- Spring & Fall Semester**

Prior to First Day of Semester 100%

First Day of Classes Through 11th Class Day 80%

After the 11th Class Day NONE

**Credit Courses- Summer**

Prior to First Day of Semester 100%

First Day of Classes Through 4th Class Day 50%

After 4th Class Day NONE

## **ACADEMIC GRIEVANCE PROCEDURE**

The Nursing Program subscribes to East Arkansas Community College academic grievance procedure. Recognizing that both students and faculty have rights regarding academic matters, East Arkansas Community College sets forth an academic grievance procedure.

The procedure serves the purpose of:

1. Providing the student with redress and due process.
2. Protecting faculty rights in freedom of instruction.
3. Providing a mechanism for problem solving.
4. Achieving an equitable resolution of the grievance as quickly as possible.

The following steps are to be followed regarding student academic grievance:

1. The student meets with the faculty member regarding any problem. The student and faculty member should discuss the problem thoroughly and attempt to reach an agreement.
2. If an agreement cannot be reached between the student and faculty member, the appropriate Associate Vice President is contacted by the student. The student, faculty member, and the Associate Vice President are to meet together to thoroughly discuss the problem and attempt to attain a solution.
3. If a solution is not reached, the student may formalize the grievance by putting it in writing, including conditions giving rise to the grievance, names of parties involved, and the remedy requested. The written grievance is submitted to the Vice President for Academic Affairs. The Vice President first determines if previous steps in the process have been followed by the student and explains to the student the remaining steps in the process. The Vice President notifies the faculty member and the respective Associate Vice President that a grievance has been filed and supplies a copy of the written grievance to the faculty member and Associate Vice President. The issues of the grievance are thoroughly discussed in an attempt to reach an understanding and agreement. Within 48 hours (excluding holidays/weekends) after receiving the student's written grievance the Vice President for Academic Affairs will render a decision.
4. If an agreement is not reached, the student may contact the chairperson of the Academic Grievance Committee. The Academic Grievance Committee will be composed of one Associate Vice President, two faculty members, one student, and one student affairs staff member. The Associate Vice President, instructors, or students who are parties in the grievance may not serve as members of the Committee. The Committee is a standing committee, members of which shall be appointed by the College president at the beginning of each academic year. The President shall also appoint a corresponding set of alternate members. The Committee will meet to review all relevant information regarding the grievance. Witnesses may be called as needed. Only the student and faculty member involved are to be present during the committee hearing; however, if witnesses are to be called by the parties the Committee chairperson must be notified 24 hours prior to the hearing. The Committee renders a written decision, including its findings and recommendations within 48 hours of the hearing (excluding holidays and weekends).
5. The student or instructor may request a procedural review by the College President. The original grievance and final report of the Academic Grievance committee are submitted to the College president who reviews the information submitted. Within 48 hours (excluding holidays and weekends) after the President receives the information, the President will render a decision regarding the Committee's adherence to College and committee policy and procedure based on the written information submitted.
6. The President has the option to remand the Committee's findings to the Committee for further consideration.
7. The Grievance procedure must be initiated and completed prior to the end of the term succeeding the term in which the incident occurred (excluding summer terms).
