

Kids on Campus

Youth Horseback Riding

Have a child that is horse crazy? This camp is for any camper that has never been on a horse to campers that ride all the time. Campers will learn the basics about horse health, care and grooming, use and care of tack, basic horsemanship, and equine safety and etiquette.

Monday - Thursday, July 6th - 9th

Entering Grades 3rd - 8th

9:00 a.m. - 11:30 a.m.

Fee: \$99

EACC Barn

A Bugs Life

Bugs, bugs, bugs, oh my! Busy bees, silly spiders, quick crickets, and beautiful butterflies come to visit as we listen to bug stories, sing songs, and "buggy" down to creative movement activities. Learn fun facts through lots of hands-on projects, create your own bug rock, observe insects, and have lots of buggy fun.

Monday - Thursday, July 6th - 9th

9:00 a.m. - 11:00 a.m.

Entering Grades K3 - K4

Fee: \$49

Classroom Building 1-108

Love A Pet

Want a pet? This camp shows campers what all it takes to take care of a pet. It shows them the responsibility that comes with owning a pet such as vet visits, feeding, grooming, and even training certain tricks. At the end of the week, Forrest City Humane Society will bring some fun friends to visit.

Monday - Thursday, July 6th - 9th

9:30 a.m. - 11:30 a.m.

Entering Grades K - 2nd

Fee: \$59

Classroom Building 1-104

Seuss-ical STEAM

Who doesn't love Dr. Seuss? In this camp we will read and create a Seuss inspired world! Campers will create "Truffula Trees" with dough, concoct "Green Eggs and Ham" and make ooey, gooey oobleck with "Bartholomew and the Oobleck"! This will be a Suesstastis week!

Monday - Thursday, July 6th - 9th

1:00 p.m. - 3:00 p.m.

Entering Grades 3rd - 5th

Fee: \$59

Classroom Building 1-109

Welcome Summer Campers!!

Congratulations to all of the area students that were recommended by their teachers for EACC'S 37th annual Summer Enrichment Camp during the week of July 13th - 16th. Students will be able to let their imaginations soar with this year's theme *Full S.T.E.A.M Ahead!* Approximately 100 students will explore, build and create fun filled, hands-on STEAM activities. The annual camp will enhance creative problem solving and critical thinking skills. *Full S.T.E.A.M Ahead* will encourage exploration and ignite the innovator in every kid.

Summer Enrichment Camp is an annual 4-day program designed to provide fun and challenging enrichment for academic achievers entering grades 2nd - 6th.

Kids on Campus

I.D.E.A. Academy Manufacturing Camp

(Innovation, Design, Engineering & Automation Academy)

This robotics camp combines traditional summer fun with the opportunity for students to build and engineer robots. Programs include AI, visual coding, and machine learning, and typically incorporate competitive challenges where campers task their robots with specific actions. Students must have access to the internet and will need a laptop, Chromebook or Smartphone.

This camp is **virtual**.

Entering Grades 8th - 12th

Fee: \$45

**Curbside pickup will be scheduled for students to receive their robot. **

Playground Games

Learn sportsmanship, rules, make friends and have fun this summer playing games. Enjoy stretching warm up and then play games such as kickball, capture the flag and relay races. Come dressed for fun and ready to play.

Monday - Thursday, July 20th - 23rd

9:00 a.m. - 11:00 a.m.

Entering Grades K - 2nd

Fee: \$59

EACC Gym and Field

Escape Room

Kristy Marrs will lead campers into problem solving, critical thinking, and working as a team member in creating their own Escape Room. Campers will create team-based games where players discover clues, solve puzzles, and complete tasks in one or more rooms in order to accomplish a specific goal. This camp is sure to get those critical thinking muscles flowing!

Monday - Thursday, July 20th - 23rd

9:30 a.m. - 11:30 a.m.

Entering Grades 4th - 6th

Fee: \$59

Classroom Building 1-107/108

Glow in the Dark Science

Have you ever wondered why a firefly lights up, or how some objects glow in the dark? Discover the science behind luminescence and fluorescence as you make some eye-catching projects.

Monday - Thursday, July 20th - 23rd

1:00 p.m. - 3:00 p.m.

Entering 1st - 3rd

Fee: \$59

Classroom Building 1-104

Crime Solvers

"Who dun it?" Forensic scientists use a variety of techniques to uncover the mystery behind a crime. Help crack the Case as you enter the intriguing world of crime-solving.

Monday - Thursday, July 6th - 9th

1:30 p.m. - 3:30 p.m.

Entering Grades 6th - 8th

Fee: \$59

Classroom Building 1-106

Barnyard Palooza

This camp is all about farm life. This camp will focus on all things farm, from planting to raising animals and everything in between. Lots of fun hands on activities to learn about what all goes on when you live on a farm and why farms are so important. There might even be a couple of fun guest appearances.

Monday - Thursday, July 27th - 30th

9:30 a.m. - 11:30 a.m.

Entering Grades K3 - K4

Fee: \$49

Classroom Building 1-108

Kids Yoga

In this playful yoga camp, kids will learn yoga poses, breathing and relaxation exercises. This class will give children the tools to reduce stress, as well as improve concentration, mood, balance, and flexibility.

Mondays - Thursday, July 27th - 30th

9:00 a.m. - 11:00 a.m.

Entering Grades K - 2nd
