

Business/Industry Instructor

East Arkansas Community College is accepting applications for a full-time, 12-month Business and Industry Instructor.

Job Responsibilities:

The Business/Industry Instructor is responsible for teaching students in a specialized technical field. In collaboration with the Director of Workforce Development the Business/Industry Instructor will identify skill gaps to develop credit and noncredit instruction to meet the needs of our industry partners. Will use OSHA guidelines and experience to assess all applied programs to ensure labs are using commonly accepted safe practices. Will help develop employer relationships for advisory committees and deliver for credit instruction in industrial safety. Perform other duties as assigned.

Minimum Qualifications:

The formal education equivalent of an Associate degree in a workforce related field. Bachelor degree preferred. Exceptional experience in an industry field may be used as a substitution for all or part of the basic requirements. Must have at least 5 years' experience in a manufacturing industry. Experience must include safe working practices and manufacturing processes. Experience in training, equipment operation, LEAN processes, and OSHA credentials preferred.

Please submit an EACC application, resume, and transcript(s) to EACC Human Resources Office, 1700 Newcastle Road, Forrest City, AR 72335 or humanresources@eacc.edu. An application can be found on the [Employment](#) page of the [EACC website](#). Review of applications will begin immediately and continue until position is filled.
