CAMPUS SECURITY ACT AND STUDENT RIGHT-TO-KNOW

In compliance with the Crime Awareness and Campus Security Act of 1990 (Title II of Public Law 101-542, as amended), and the Campus SaVE Act 2013, EACC collects and publishes campus crime statistics. This Campus Security Report is available in the Office of Campus Security and Safety, the EACC website, and the EACC Catalog/Student Handbook.

CAMPUS SECURITY

Professional security officers patrol the campus for violations of the law and of college policies as well as other activities which conflict with the interests of EACC. Students are encouraged to report crimes or suspicious activities promptly to the Campus Security Officer or the Dean of Student Services, between the hours of 8:00 AM and 4:30 PM. In the evenings, individuals may make reports in the Student Services Complex or with the Campus Security Officer on duty. Assistance will be provided or local law enforcement authorities will be contacted if necessary or requested.

REGISTERED SEX OFFENDER NOTIFICATION

Arkansas Code Annotated §12-12-906(e) requires any sex offender working, enrolled, or volunteering in a public or private elementary, secondary, or postsecondary school, or institution of training, to notify the local law enforcement agency having jurisdiction in person of that status and to register in person with the local law enforcement agency having jurisdiction over that campus.

Arkansas Code Annotated §12-12-913(g) requires the Arkansas Higher Education Coordinating Board to promulgate guidelines for the disclosure to students of information regarding registered sex offenders who are employed by or attend an institution of higher education when information regarding a sex offender is released to an institution of higher education by a local law enforcement agency having jurisdiction.

Arkansas Code Annotated §12-12-913(g) requires the board of directors of an institution of higher education to adopt a written policy regarding the distribution to students of information regarding a sex offender that is in accordance with guidelines promulgated by the Arkansas Higher Education Coordinating Board.

In compliance with Arkansas Higher Education Coordinating Board policy, EACC's Sex Offender Notification policy includes the following references to state statute and federal law:

A.C.A. §12-12-903 (6) defines the "local law enforcement agency having jurisdiction" as follows: (A) Chief law enforcement officer of the municipality in which an offender: (i) Resides or expects to reside; (ii) Is employed; or (iii) Is attending an institution of training or education; or (B) County sheriff, if: (i) The municipality does not have a chief law enforcement officer; or (ii) An offender resides or expects to reside, is employed, or is attending an institution of training or education in an unincorporated area of the county."

A.C.A. §12-12-913 (b) states that "in accordance with guidelines promulgated by the Sex Offenders Assessment Committee, local 3.22.2 law enforcement agencies having jurisdiction shall disclose relevant and necessary information regarding sex offenders to the public when the disclosure of such information is necessary for public protection."

A.C.A. §12-12-913 (e)(1) states that "a local law enforcement agency having jurisdiction that decides to disclose information under this section shall make a good faith effort to conceal the identity of the victim or victims of the sex offender's offense."

The Campus Sex Crimes Prevention Act (section 1601) and (42 U.S.C., 14071j and 20 U.S.C., 1092 (f) (1) (I)) is a federal law enacted on October 29, 2000, which provides for the tracking of convicted sex offenders enrolled at or employed by institutions of higher education. This federal law requires sex offenders who are required by

law to register in a state, to also provide notice of each institution of higher education in that state where the person is employed, carries on a vocation, or is a student. This law further requires that institutions of higher education issue a statement advising the campus community of the availability of this information.

Ark. Code Ann. § 5-14-128 makes it unlawful for a Level 3 or Level 4 registered sex offender to reside within 2,000 feet of property on which any public or private elementary or secondary school or daycare facility is located. All EACC campus facilities fall within this restriction.

Per Arkansas Higher Education Coordinating Board policy: the local law enforcement agency having jurisdiction, meaning the law enforcement agency of the municipality or county within which the college or university is located, has the responsibility and liability to notify EACC concerning a registered sex offender. The role of EACC is to assist the local law enforcement agency having jurisdiction in the distribution of information concerning a sex offender. This plan for disclosure on the campus should be a joint effort between the law enforcement agency and EACC. The law enforcement agency determines which sex offenders to notify EACC about and what information will be disseminated; EACC determines how the information should be disseminated. Additional information can be found in EACC BP 8-4.

PARKING AND TRAFFIC REGULATIONS

Parking permits are issued in the Office of Student Activities located in the Student Center. The first permit is free; all subsequent permits cost \$5.00. Permits are required for all vehicles parked on campus by students and faculty/staff.

Students will park in the north or west lots; visitors, faculty, and staff are to use the staff lot. Visitors should register in the Administration Building upon coming to the campus. Illegally parked cars may be charged \$5 for no stickers and up to \$25 for other parking violations. Fines are to be paid in the Student Center at the Cashier's window. Student grades will be held at the end of the semester for students who have not paid their fines. Appeals may be made to the Vice President for Finance. Repeated violations of the parking policy may result in the illegally parked car being towed away at the owner's expense.
