ASSOCIATE OF APPLIED SCIENCE NURSING PROGRAM

The East Arkansas Community College's Associate of Applied Science Nursing Program *Information Packet* presents the program and requirements in effect at the time of publication but is no guarantee that they will not be changed or revoked. However, adequate and reasonable notice will be given to students affected by any changes. This *Information Packet* is not intended to state contractual terms and does not constitute a contract between the applicant and the school. Applicants are expected to become familiar with the rules and policies of East Arkansas Community College's Associate of Applied Science Nursing Program and enter with the understanding that they will abide by these regulations.

East Arkansas Community College's Associate of Applied Science Nursing Program reserves the right to make changes as required in course offerings, curricula, academic policies, and other rules and regulations affecting students to be effective whenever determined by the School. These changes will govern current and formerly enrolled students. Enrollment of all students is subject to these conditions.

HISTORY

In 1974, a statistical report prepared by the Arkansas Board of Nursing revealed a statewide need for registered nurses. A needs survey by East Arkansas Community College revealed that a five county area in eastern Arkansas needed to be served with additional registered nurses. In 1976, East Arkansas Community College submitted a letter of intent to Arkansas Board of Nursing and was granted initial approval in 1976 to start an Associate of Applied Science Degree Nursing Program. The first class was admitted in Fall of 1976 and graduated in Spring of 1978. The Arkansas Board of Nursing granted full approval in 1978. In 1990, an LPN/LPTN accelerated track was developed and implemented in the Summer of 1990. In 1993, the nursing program received initial accreditation from the National League of Nursing.

ACCREDITATION

The Arkansas State Board of Nursing granted full approval to the East Arkansas Community College's Associate of Applied Science Degree Nursing Program in 2021. The address of the ASBN is University Tower Building, 1123 S. University, Suite 800, Little Rock, AR 72204. The phone number is (501) 686-2700. The web address is <http://www.arsbn.org>.

EACC NURSING PROGRAM PHILOSOPHY

The Associate of Applied Science Nursing Program is an integral part of East Arkansas Community College and derives its philosophy from the mission and goals of the college. The philosophy guides the nursing faculty in providing quality educational opportunities.

We, the faculty of East Arkansas Community College, Associate of Applied Science Nursing Program, believe:

Each individual is unique, innately worthy of respect and dignity, and has the ability to contribute creatively to the environment. The individual is viewed as multifaceted with physiological, psychological, sociocultural, and spiritual components. The individual's behavior is motivated by a set of basic human needs and has the ability to adapt to environmental changes as they progress through the life span.

The environment is an aggregate of all internal and external dimensions affecting the health and self-care abilities of all individuals.

Health is a dynamic state of harmony and balance between individuals and their environments. Health is defined by the individual and reflects the individual's physical, psychosocial, and spiritual well-being along the health-illness continuum.

Nursing is a profession incorporating knowledge and principles of the humanities and sciences. Nursing functions independently, dependently, and interdependently with other health care providers to assist individuals and their families in meeting health care needs and achieving an optimal level of functioning in a racially, culturally, and ethnically diverse community. Nursing practice is based on standards and ethics formulated by the profession and implemented through the nursing process. Nursing encourages a holistic, interactive approach requiring a commitment to the value of caring, communication, collaboration, theoretical knowledge, critical thinking and clinical competence for implementation of the nursing process. Nursing practice is based on standards and legal and ethical considerations formulated by the profession and implemented through the nursing process.

Teaching/learning is an active reciprocal process, which involves the teacher and learner. This process is directed toward achievement of desired competencies. Teaching/learning facilitates the application of knowledge and provides an environment that enhances mutual trust, motivation, creativity, critical thinking and clinical decision making. Learning is a continuous life-long process. The student's personal and professional growth is enhanced by assuming responsibility and accountability for the acquisition of knowledge and skills. The assessment of outcomes is used to determine student progress and to assist in program improvement.

DESCRIPTION OF THE PROGRAM

East Arkansas Community College Nursing Program offers an Associate of Applied Science in Nursing (AASN). Once accepted, the program is 2 years in length (5 terms) for Traditional Track students based on full time enrollment, exclusive of vacation time.

Student Learning Outcomes

Upon completion of the program of study, the graduate is prepared to:

1. NLN Human Flourishing: Graduates should be prepared to promote and enhance the physical, spiritual, emotional, cultural and psychosocial needs of the patients and families as well as the community and themselves. ADN Competency: Advocate for patients and families in ways that promote their self-determination, integrity and ongoing growth as human beings (NLN, 2010).
2. NLN Nursing Judgment: The graduate should be prepared to incorporate nursing judgement with the knowledge and principles from the sciences and humanities into nursing process. ADN Competency: Make judgments in practice, substantiated with evidence, that integrate nursing science in the provision of safe, quality care and promote the health of patients within a family and community context (NLN, 2010).
3. NLN Professional Identity: The graduate will be able to function as part of the a interdisciplinary health care team in selected health care setting with culturally diverse clients, families, and communities) ADN Competency: Graduate will implement one's role as a nurse in ways that reflect integrity, responsibility, ethical practices, and an evolving identity as a nurse committed to evidence-based practice, caring, advocacy, and safe, quality care for diverse patients within a family and community context.
4. NLN Spirit of Inquiry: The graduate should be prepared to provide evidence-based, clinically competent nursing care utilizing critical thinking and clinical decision making within the scope of the associate degree nurse)
ADN Competency: Graduates will be able to examine the evidence that underlies clinical nursing practice to challenge the status quo, question underlying assumptions, and offer new insights to improve the quality of care for patients, families, and communities.

PROGRAM OBJECTIVES

1. Performance on NLCEX 80% or > of the AASN graduates will pass the NCLEX exam on the first attempt.
2. Program Completion Rates: 55% or > of the AASN students will complete the program in a traditional track, beginning with entrance into NUR 1014 (1st semester) on first attempt. 60% or > of the AASN students will complete the program in a LPN/LPTN accelerated track, beginning with entrance into NUR 1900 on first attempt.

3. Job Placement Rates: 85% or > of students report they are currently employed or offered a job as a graduate nurse at graduation. 90% of students' report that they are employed as a Registered Nurse 6 months post-graduation.

- c. The Pearson Test of English (PTE) Academic with a score of 55 overall with no subscores lower than 50 in each scored part.
- d. The Occupational English Test (OET) with a score of C+ or above in each subtest and overall score of 300 or more on a single test. NOTE: At-home or remotely proctored tests are not accepted.

STUDENTS WITH DISABILITIES

Students with disabilities who wish accommodations should contact the American Disabilities Act Coordinator, Hodges Student Services Complex, 633-4480, ext. 304. The admissions procedures for the Office for Students with Disabilities are as follows:

1. Student must provide the ADA contact with appropriate documentation giving evidence of a bona fide disability.
2. If necessary, the student will sign a release of information form to obtain documentation of disability.
3. Student will fill out an application for disabled student services.
4. The ADA contact will evaluate the needs of the student and inform him/her of accommodations which will be provided.
5. The Students with Disabilities Coordinator will inform instructors, Student Support Services, or other College personnel as appropriate for necessary accommodations.

NONDISCRIMINATION POLICY

East Arkansas Community College's Associate of Applied Science Nursing Program does not discriminate against any applicant/student and adheres to the College's Equal Opportunity, Affirmative Action, non-discrimination policy. East Arkansas Community College is committed to provide equal opportunity through its employment practices, educational programs, admissions policies, scholarships and loan programs and services it offers to the community. The College will make personnel decision and offer programs that will foster educational opportunities without regard to race, color, national origin, age, gender, pregnancy status, or disability of qualified handicapped persons.

APPLICATION PROCESS

All applicants must:

1. Submit a Nursing Application to the Department of Allied Health Science. Applicants who misrepresent/omit information from the application form become ineligible for admission or subject to dismissal after admission has been granted.
2. Request official transcript(s) to be mailed to **both registrar's office** and the **nursing program**.

A. Registrar's Office

**East Arkansas Community College
1700 Newcastle Road
Forrest City, AR 72335**

B. Department of Allied Health Science

**Nursing Program
1700 Newcastle Road
Forrest City, AR 72335**

Transcripts must be sent from any college, university, school of nursing, vocational/technical, and/or any other school(s) attended beyond high school or completion of a GED.

Note: Each transcript must be sent even if grades are recorded on another transcript. All transcripts must be mailed directly from the institution(s) to be considered official. All requested transcripts/information must be received by the application deadline.

1. Take the HESI Entrance Nursing Exam. Must be registered for a test date. HESI can be taken on-campus.
2. . Take the HESI Entrance Nursing Exam. Must be registered for a test date. HESI can be taken on Forrest City or Wynne campus.

It is the student's responsibility to provide accurate contact information at the time of application and to notify the Nursing Office regarding any changes. Admission criteria must be met and student files updated with all required information for inclusion in the admission/selection process.

Selection Process: EACC's Associate Degree Nursing program may have more applicants that meet the minimum requirements for admission than positions available. Admission is competitive; therefore applicants that meet minimum admission criteria are ranked according to points awarded in the following areas:

- HESI Entrance Exam Score (75% of total points possible).
See Preadmission Testing Score requirements listed below.
- GPA on completed general education co-requisite courses within EACC's Associate Degree Nursing program curriculum plan (25% of total points possible)

APPLICATION DEADLINE

Students are admitted to East Arkansas Community College's Associate of Applied Science Nursing Program once a year for fall admission.

DEADLINE FOR NURSING APPLICANTS

April 1st for Summer Admission

All information must be received by **April 1st**

If qualified applicant pool is not met by application deadline, the deadline may be extended at the discretion of the Restricted Enrollment Committee.

ADMISSION REQUIREMENTS AND APPLICATION PROCESS

This track is designed to enable qualified LPN/LPTN applicants who aspire to become professional nurses to do so within a minimum period of time and with a minimum duplication of course content and credits. Graduates may apply to take the National Council License Examination for Registered Nurses (NCLEXRN).

To be eligible for admission to the LPN/LPTN Accelerated Track, the applicant must:

1. Have graduated from an Arkansas approved or out-of-state board of nursing approved PN/PTN program.
2. Have a current, unencumbered Arkansas or multi-state LPN/LPTN license and submit proof (copy of License).
3. Be admitted to East Arkansas Community College (see current East Arkansas Community College Catalog for application and admission procedure.)
1. Complete all required general education courses with a minimum grade of "C" before admission to the LPN/LPTN Accelerated Track. Credit for college math and science courses must be no older than 5 years if not taken at EACC. **If the College Math and Science was taken at EACC the 5 year rule does not apply and will be accepted.**
- 4.

5. Have an overall 2.80 grade point average (GPA) on transcripts from any and all colleges attended in the past ten years. (High school GPA may be considered if student does not have a college GPA.)
6. Have a cumulative 2.0 minimum grade point average for all college course work attempted including transfer work and excluding developmental education courses.
Must have an EACC GPA of 2.0 or greater to graduate from EACC
7. Submit a Nursing Application to the Department of Allied Health Science. Applicants who misrepresent/omit information from the application form become ineligible for admission or subject to dismissal after admission has been granted.
8. Take the HESI A2© (also known as the Evolve Reach Admissions Assessment) entrance test and score a minimum of 78 on selected topics. The HESI stands for Health Education Systems, Inc., with A2 standing for Admission Assessment. The HESI A2© (also known as the Evolve Reach Admissions Assessment) is a common nursing school entrance exam. **This exam may be taken twice during the academic year. (Fee: approximately \$58 and is non-refundable.)**
The applicant pays the ~\$58 fee by computer to the testing site. The nursing entrance tests covers Reading Comprehension, Vocabulary, Mathematics, Anatomy & Physiology. As well as Learning Profile, Personality Style, and Critical Thinking.
9. Submit Validation of Work Experience (a letter from current supervisor indicating work experience). Work experience as an LPN/LPTN must be in accordance with the following chart:

Time	Validation of Recent Work Experience Required
0-6 months after graduation	No work experience required
6 – 12 after graduation	500 hours
12 – 24 months prior to admission	1000 hours

10. Request official transcript(s) to be mailed to **both** the registrar’s office and the nursing program.

A Registrar’s Office
 East Arkansas Community College
 1700 Newcastle Road
 Forrest City, AR 72335

B. Department of Allied Health Science
 Nursing Program
 1700 Newcastle Road
 Forrest City, AR 72335

Transcripts must be sent from any college, university, school of nursing, vocational/technical and/or any other school(s) attended beyond high school or completion of a GED.

Note: Each transcript must be sent even if grades are recorded on another transcript. All transcripts must be mailed directly from the institution(s) to be considered official. All requested transcripts/information must be received by the application deadline.

11. Students who were previously enrolled in any nursing or allied health program at any institution and withdrew from (“W”) or received a “D” or “F” in any two nursing or allied health courses or who twice withdrew (“W”) or received “D” or “F” in any nursing or allied health course may seek readmission after a period of four years from the first admission to the Traditional Track nursing program and two years for the Accelerated Track. However, students must meet all current admission requirements and begin in Term I of the Traditional Track or Term III of the Accelerated Track.

APPLICATION REVIEW/NOTIFICATION

LPN/LPTN applicants, whose files are completed by the **April 1st deadline**, will be considered by the Nursing Restricted Enrollment Committee for admission to the nursing program. Notification of the committee’s action will be made by letter during the month of April. East Arkansas Community College’s Nursing Program does not maintain a waiting list for students who meet the minimum requirements, but who are not offered admission. Applicants are admitted on space available.

ACCEPTANCE

Once an applicant has been accepted into the Accelerated Track, the candidate must:

1. Accept in writing by the date indicated on the acceptance letter.
2. Obtain CPR certification. Certification **must be** American Heart Association Healthcare Provider and include Adult, Child, Infant, Conscious, Unconscious, and Choking. Certification must be obtained prior to registration and must remain current for the entire program of study.
3. Have the following required immunizations with statement of proof:
 - A. Nursing and Allied Health MMR Immunization Policy: Arkansas law requires all full-time students born on or after January 1, 1957 to provide proof of immunization against measles, mumps, and rubella (MMR) or immunity, or medical or non-medical exemption, or birth before 1957.
 - Proof of Immunization: The immunization must be given in two doses. The first dose of the MMR must be given before the first birthday and after 1/1/1968. The second dose must be given at least 28 days after the first. Refer to Table III of the Arkansas State Board of Health, Rules and Regulations Pertaining to Immunization Requirements, page 16. Accepted proof of immunizations shall be those on an immunization record provided by a licensed physician, health department, military service or an official record from another educational institution in Arkansas. All accepted immunization records shall state the vaccine type and dates of vaccine administration.
 - Proof of Immunity: In lieu of receiving vaccine students may provide proof of immunity. Students must submit serological test results (titers) appropriate for all three diseases (measles, mumps, and rubella) to the Arkansas Department of Health

(ADH) along with a letter requesting approval of immunity. Please send letter and test results to:

Arkansas Department of Health
ATTENTION: Immunization Section
4815 West Markham Street
Little Rock, AR 72205

After the Medical Director of the Immunization Section of the ADH has reviewed the letter and results, the student will receive either an approval or denial letter. If approved, it is the student's responsibility to provide ANC Registrar a copy of the letter for placement in the student's permanent file. Thereafter, annual approval is not required. If denied, the student must receive the required immunization or request an exemption (see below) through the Arkansas Department of Health.

- Medical or Non-medical Exemption: Students may apply for an authorized exemption (medical, religious, or philosophical) from the Arkansas Department of Health. Exemptions must be applied for each academic year. Forms can be obtained after July 1, each year by e-mail only at:
<http://www.healthy.arkansas.gov/programsServices/infectiousDisease/Immunizations/Documents/20172018%20College%20Immunization%20Exemption%20Application%20Packet.pdf>

B. Required Immunizations for EACC AASN

As a condition of admission and continued enrollment in the AASB program, all students are required to submit proof of the following and update any immunizations as needed on their individual medical document manager (Castlebranch).

- MMR (2 doses required; refer to detailed MMR immunization policy above for more information).
- Tetanus or Tdap. Tetanus or Tdap must be received in the past 10 years to be current, or a tetanus booster is required.
- TB Screening: At the beginning of each academic year, students must submit proof of ONE of the following: documentation of a negative tuberculin (TB) skin test or negative result of interferon-gamma release assays (IGRAs) blood tests (T-SPOT or QuantiFERON). negative chest x-ray within the past three years; and provide evidence of no TB disease per health screening.
- Hepatitis B (series of 3 injections) or waiver: students entering the ADN Program must realize the potential for exposure to the Hepatitis B virus. Faculty recommends appropriate documentation of a completed series of Hepatitis B immunizations or consent to and be in the process of receiving the series of the 3 injections prior to any contact with patients. If a student refuses or has reason to believe that the vaccine is contraindicated for him/her, the student must sign a declination form acknowledging the risk of Hepatitis B infection in a healthcare setting.
- Influenza/flu vaccine annually (due each year by 10/31)

- Varicella (2 doses); Proof of varicella may be provided by ONE of the following:
 - o Documentation of 2 doses of the varicella vaccine
 - o Laboratory evidence of immunity (titer)
 - o Verification of history of varicella or herpes zoster by a healthcare provider

C. COVID-19 Vaccinations

In compliance with AR ACT 1030, EACC's Associate Degree Nursing program does not mandate COVID-19 vaccination as a requirement for enrollment in any of their courses or programs. However, most clinical affiliates mandate and require proof of the vaccine for both faculty and students attending their facilities for clinical experiences. The Associate Degree Program Director will accept student's proof of COVID Vaccination for submission to these facilities upon their request and prior to attending clinical. Students may upload proof of COVID vaccination to their Castlebranch profile as with all other clinical documentation.

In order to ensure all students are provided an equitable clinical educational experience necessary to meet required course and program objectives, students must be eligible for placement in any approved clinical site. **Students ineligible to meet their clinical assignments will not be successful in meeting their course objectives.**

4. Submit proof of health insurance.
5. Complete Criminal Background Check and Drug Screen process.

All required documents must be submitted before the first day of classes.

CREDIT BY PRIOR LEARNING ASSESSMENT

Students who possess knowledge for certain courses offered by the College may petition for credit by examination or experience. A maximum of 12 semester hours of college credit can be awarded through examination, experience or a combination of the two.

There are two types of CLEP exams, General and Subject. EACC awards credit for two of the five General Exams and fourteen of the Subject Exams. Credit is awarded for the humanities and natural sciences on the General Exams.

Credit may be earned by passing a comprehensive test prepared by either a commercial testing service (i.e., CLEP) or the Department of the College in which the credit is to be awarded. Credit for courses offered by EACC may also be granted upon related work experience.

Questions regarding the specifications of the CLEP test should be directed to Educational Guidance Services located in the Hodges Student Services Complex. Students who believe they qualify for credit by examination or previous work experience should contact the appropriate associate vice president.

TRANSFER STUDENT INFORMATION

TRANSFER STUDENT POLICY

Students withdrawing from (“W) or failing (“D” or “F”) the same nursing course twice or two separate nursing courses may seek admission to the Associate of Applied Science Nursing Program after a period of four years from the first admission to a previous nursing program. Students must meet all current admission requirements and begin in Term I of the traditional track or Term III of the accelerated track. Transfers are on space availability after meeting all other transfer requirements.

Transfer Requirements

To transfer into the nursing program, the student must:

1. Meet all current admission and transfer requirements for East Arkansas Community College (see current College Catalog for requirements). Students on academic suspension from another institution will be eligible for admission only after having remained out of school for one semester (not including a summer term) or being eligible to return to the previous institution.
2. Meet all current nursing program admission requirements.
3. Pass a drug calculation competency test with a score of 90% or higher. Sample drug calculation problems will be provided. Student will have one opportunity to successfully complete drug competency test.
4. Successfully complete a skills competency check-off with 90% accuracy. Skills list will be provided. Student will have one opportunity to successfully complete skills competencies.
5. Successfully complete HESI Mastery test(s) and attain an Level 2, 78% or higher. Cost of the test(s) is \$35.00 each (subject to change).

Transfer Student Application Deadlines

Deadline to apply and meet all Transfer Requirements for Term II is October 1st and for Term III is May 31st.

Transfer Student Application Review/Selection/Notification

The transfer student whose file is completed by the deadline will be considered by the Restricted Enrollment Committee for admission into the Nursing Program. Notification of the Committee’s action will be made by letter one month after the application deadline. There is no provisional acceptance for applications not meeting the minimum requirements. East Arkansas Community College’s Nursing Program does not maintain a waiting list for students who meet the minimum requirements, but who are not offered admission. Admission is contingent on space availability.

Transfer Student Residency

Transfer students must complete all 2000 level nursing (NUR) courses in East Arkansas Community College’s Nursing Program.

The course accompanies NUR 2134 and focuses on rehabilitative care. Identification of skills based upon scientific principles for nursing practice with clients will be emphasized. **Prerequisites: All required courses from Terms I, II and III. Co-requisite: NUR 2134**

NUR 2134 Medical-Surgical Nursing II (2-6-4)

This course builds upon Medical-Surgical I and focuses on the chronic illness phases of the disease process. Rehabilitative stages will be emphasized. The life cycles issues of individual with chronic illness will be presented. The nursing process and critical thinking skills with case presentations will be utilized. **Prerequisites: All required courses from Terms I, II and III. Co-requisites: BUS 1603, NUR 2130, NUR 2160, NUR 2164, SOC 1013 or SOC 2043** **Assessment Fee: \$225**

NUR 2160 Clinical Applications of Maternal Child Nursing (0-6-0)

This course accompanies NUR 2164 and focuses on giving nursing care to clients in the pediatric and maternity settings. Students will provide care using the theoretical principles of maternal and child health. **Co-requisite: NUR 2164**

NUR 2164 Maternal Child Nursing (2-6-4)

This course will explore the concepts of childbearing and childrearing. It will focus on health promotion, family structures, and cultural diversity. The traditional role of the maternal and child nurse must expand to meet the challenges that changes and new technology are posing. With these concepts the student will use the nursing process in working with clients from birth through adolescence. **All required courses from Terms I, II and III. Pre or Co-requisites: BUS 1603, NUR 2130, NUR 2134, NUR 2160, SOC 1013 or SOC 2043**

NUR 2242 Nursing Concepts and Intervention (2-0-2)

This course is designed to further understand the concepts of environment and health in client care through core presentation, discussion, and content review. The nursing process will be utilized by the student through problem-solving and critical thinking skills in applying nursing interventions to client situations. **Prerequisites: All required courses from Terms I, II, III, IV.**

Co-requisites: NUR 2254, NUR 2263

NUR 2250 Clinical Applications of Medical-Surgical Nursing III (0-6-0) This

course accompanies NUR 2254. This course provides the student with the opportunity to apply theoretical principles when caring for the adult medical-surgical clients with complex disorders affecting the cardiac, respiratory and renal systems. The clinical course emphasizes the rehabilitative aspect of the client with complex disorders. **Co-requisite: NUR 2254**

NUR 2254 Medical-Surgical Nursing III (2-6-4)

This course is designed to introduce complex knowledge and skills applicable to the nursing care of an acute adult with multiple complex problems and the critically ill adult client experiencing alterations in the cardiac, respiratory, circulatory, and renal systems. The course builds on and reinforces previous knowledge and skill. The course reinforces ethical and legal implications, health promotion and maintenance, emotional, spiritual, physical, psychosocial integrity and developmental tasks of the adult. **Prerequisites: All required courses from Terms I, II, III, IV. Co-requisites: NUR 2250, NUR 2260, NUR 2264, NUR 2242 Assessment Fee: \$225**

NUR 2260 Clinical Applications of Nursing Leadership & Management (0-3-0)

This course accompanies NUR 2263 and focuses on managing the nursing care to clients in the hospital setting. Students will provide and coordinate client care under the supervision of a nurse manager or charge nurse. Students will demonstrate the skill of coordinating care and applying leadership and management principles necessary to function in a complex health care environment. **Co-requisite: NUR 2263**

NUR 2263 Nursing Leadership & Management (2-3-3)

This course is designed to give the student a broad understanding of where nursing has been in the past, where it is today, and where it is going in the future. Content will include influences affecting nursing practice and the education that is needed to practice in entry-level staff positions. Additional roles of the entry-level nurse will be discussed including coordinating interdisciplinary groups, prioritizing client needs, understanding the role of economics, politics, culture, legal, and ethical aspects and accepting

accountability for delegating tasks. **All required courses from Terms I, II, III, IV. Pre or Corequisites: NUR 2242, NUR 2254, NUR 2260**

FINANCIAL AID PROGRAMS

The Financial Aid Office at East Arkansas Community College seeks to provide financial assistance to any student who, without such support, could not attend the College. A comprehensive program of financial aid in the form of scholarships, loans, grants, and jobs is provided to qualifying students.

Please see current East Arkansas Community College Catalog for more information or visit the Financial Aid Office in the Hodges Building Complex.

GRADING SYSTEM

The grading policy for all nursing (NUR) courses is as follows:

1. The grading scale of all nursing (NUR) courses is:
A 92-100
B 84-91
C 78-83
D 71-77
F 70 and below
2. The minimum score to pass any nursing course is 78. Fractional parts of numerical grades will be rounded off to the nearest whole number according to mathematical principles (i.e. 77.5 will become 78).
3. Both a minimum average of 78 in theory and a satisfactory in clinical/campus lab required activity and assignment are required in order to pass any nursing course. A satisfactory means that a student has achieved a minimum of 90% of all behaviors in clinical.
4. Failure of either the theory or clinical component of a nursing course results in the student repeating both the theory and clinical components.
5. Students will be given a computerized average of their grade after each exam so that there will be no question as to their academic standing.
6. Student will make an appointment with the appropriate faculty member whenever scoring less than 78% on a unit exam.
7. No exam grades will be dropped.

GRADUATION POLICY

The Nursing Program subscribes to East Arkansas Community College's requirements for graduation (see current College Catalog for graduation information).
